# SIS30115 Certificate III in Sport and Recreation

## Permissible Substitutes

The units below are a combination of IVET recommended electives from within the qualification's packaging and regular imports used by schools in 2022 that are available for selection.

The units can only be substituted/swapped for other elective or imported units, but not added. Critically, the number of imported units cannot exceed three and the total number of units cannot be increased. Please refer to qualification packaging rules for precise information on allowable course composition.

Core units and scored units (see reverse side) cannot be substituted and must be retained.

UNITS	TYPE	NOMINAL HOURS
301 Develop and extend critical and creative thinking skills	Elective	40
R204 Use business technology	Elective	20
A001 Use hygienic practices for food safety	Elective	15
U002 Perform basic water rescues	Import	10
I002 Assist with activity sessions	Import	15
C001 Maintain equipment for activities	Import	5

Units may be available to import from other qualifications or training packages. In the event that your school has a specific need for a unit not listed above, please consult your School Relationship Officer.

Important – As the student resource is printed as a standardised course book, the unit-based resource for any substitute units will only be available in soft copy for the school/students to self-print.

### First Aid Training Services

IVET offers a high-quality First Aid training service that is available in all Victorian locations. Please speak to your School Relationship Officer for more information on this service or to book the IVET First Aid team for First Aid training in 2023.
